EMPLOYMENT AND CAREER RELATED

LearntoEarn.com - 10, 11, 12

- As Co-Founder and Co-CEO, created a website to help parents find screentime balance and incentivize learning
- Website rewards children for completing educational games across eight categories; once a child completes an assigned task, the app notifies parents to reward children with screen time, monetary bonuses, etc.
- Concept to live site, created content and posted challenges at learntoearn.life

Westfield In-Town Recreational Basketball - 10

- Attended training workshop and earned certification to become paid referee for town recreational basketball games K-8
- Learned game rules and official calls, practiced conflict resolution skills and honed expertise in appropriate basketball skills in a fast paced game
- Demonstrated leadership and authority, practiced quick decision making skills, mentored players to understand rules, violations, and improve skills

ACTIVITIES

Surfrider Foundation Beach Cleanup Club - 9, 10, 11, 12

- Chapter President of national environmental club created to keep NJ beaches clean and reduce marine litter and pollution
- As President, and previous Vice President, responsible for organizing and leading all club meetings, teacher correspondence and tracking
- Recruit members through table sign-ups, networking, and social media, at high school club fairs and presentations
- Spearhead awareness, encourage students to take action, and be a part of the solution to reduce marine litter
- Organize club excursions to local beaches; collecting and removing over 100 lbs of trash each visit.

Camp Canadensis – 9, 10, 11, 12

- Junior Counselor 2024; skilled in engaging campers in activities, fostering friendships among campers, maintaining safety protocols while reinforcing camp traditions, overseeing daily health and wellness upkeep, and mentoring youth
- Color War Captain 2023; Selected by camp directors to highest position of Color War Captain to lead team of 350 campers through five-day Color War tradition of camp-wide competitions in sports, values, arts, and teamwork culminating in Final Sing, writing the Alma Mater and leading team through group performance
- Highly visible leadership role as Captain as well as other sports and character camp awards during tenure as camper

Model United Nations - 9, 10, 11

- MUN delegate for Sophomore and Junior years actively researching human rights issues
- Debated position paper among peers in active and lively discussion
- Built speaking/diplomacy skills at the annual conference

Piano/Songwriter - 10, 11, 12

- Self taught piano in 10th grade
- Created music and lyrics for two Alma Maters performed at Camp Canadensis Color War Final Sing sung live by 350 campers and in front of approximately 1,000 parents, staff, and campers.
- Winning song both summers against another team in the culmination of Color War tradition

COMMUNITY SERVICE

Iris Teen Tzedakah - 10

- Selected by application and interview process for prestigious philanthropic program
- Collaborated to allocate \$10,000 to charities; built negotiation, teamwork & leadership skills
- Delivered oral and visual presentation and donation check to Philanthropy Directors at professional luncheon style event

Experience Camps - 9, 10, 11, 12

- Aligned with my dedication to camp, volunteer at annual Day of Champions event to support Experience Camps, a national charity that sends children who have experienced the death of a parent, sibling or primary caregiver to fully funded one-week overnight summer camp to meet and connect with peers experiencing similar loss of a loved one
- Day of Champions is a family-oriented grass roots event where twenty teams of 15-20 people compete in Color War type activities and engage in an action-packed community and family experience to raise awareness and funds
- Grassroots participation raises approximately \$75,000 per year, providing 30 kids with a full year of Experience Camps programming, including one week of camp, reunions and other year round support all created to reframe the experience of grief, and empower kids with the necessary coping skills to succeed

Bagged with Love - 10, 11, 12

- Sort, pack, and assist with coordination and distribution of substantial emergency food packages for local Union County families experiencing food insecurity
- Alongside community members, make 150 sandwiches and 100 emergency food packages each gathering
- Ongoing participation throughout high school.
